The Court received an email from goodstory@163.com, a copy of which is attached, purportedly on behalf of a party in this case. Such communications — ex parte and submitted by email in violation of the Court’s rules — are inappropriate and will not be considered by the Court. CAUTION - EXTERNAL:

Honorable Jess M. Furman:

I'm Mrs. Zhang, from Amazon seller goodstorys,

Because I received a notification from Amazon that one of my product ASINs: B098F99WWW has been deleted, and the payment in my seller account has been put on hold. Amazon took this action based on a temporary restraining order issued by the Federal Court provided by Thors Law. Regarding the prohibition of infringing others' copyrights, patents, trademarks, design rights, database rights, or other intellectual property rights or other proprietary rights items.

First of all, we declare that we are legal operators and we will not infringe on the copyrights of others. We have carefully checked the copyright information of the clients of Thoits Law. The inspection results are as follows:

1. There is no trademark word of their customer TANGLE in our LISTING.
2. The patent registered by their client in 1982 has passed the protection period of the patent.
3. The appearance of your customer's application for copyright is very different from our product, and it is not in the same category. The appearance size and structure quantity of the product are different from our products. My product does not infringe the copyright of others.

And we have been communicating with Thoits Law on this matter, and Thoits Law has always wanted us to pay money to settle this case. They informed Case No: 1:21-cv-07024 that the complaint was presided over by your respected Excellency.

However, from the case No: 1:21-cv-07024 file provided by Thors Law, I have two questions. I would like to ask your respected for verification.

A: 1:21-cv-07024 Summons in a Civil Action legal documents are signed by the judge

Civil Action No: 1:21-cv-06635-PKG was tampered with 1:21-cv-07024. I am surprised that this will happen. Please see the red box marked part.
